BOY'S TRACK

Bad weather and poor participation was a serious handicap to a successful track season. We started the season with 9 men; this climbed to 14 and then dropped back to 11. Daryl Knoke was the team leader again this year. He was among the class "C" leaders in the 100 yd. dash and the long jump all year. Plans are underway for a new track that should help improve the program.

BAND

The Senior Band started the 1970-1971 school year by marching in the Mabel, Minnesota Steam Engine Days parade and the Luther College Homecoming parade.

In addition to the marching activities, the concert band performed at the All Vets Day program at North Winneshiek and presented three concerts, one in February, a "Pop" Concert in April, and a spring concert in May. A fourteen-piece stage band took part in the production of a musical variety show in the fall.

The concert band competed in the state contest in both solos and ensembles and in large groups. Three student participated in the Northeast Iowa Band Festival at Independence in December, and one, Terry Logsdon, played in the Dorian Band at Luther College in March.

We have made progress toward our goal of improving tone, quality, intonation and musical expression. Perhaps this year's band has made th most improvement in technical facility. We have rehearsed and performed music from different periods of history and by various composers with perhaps the most emphasis on American music this year.

The 42-member mixed chorus of 1970-71, under the direction of Mrs. Joyce Eastlund, participated in State Large Group Contest in April 1971 and received a division I rating for their performance. North Winneshiek was represented in mixed chorus, girls' chorus, and mens' chorus divisions at contest; and in May, both the mixed and the girls' performed in concert at North Winneshiek.

At small group state contest in March, 1971, six vocal groups and seven vocal soloists performed. Five groups and four soloists received I ratings, and one group and three soloists received II ratings.

Congratulations for a fine year!

The "snow days" seemed to interfere with most of our winter activities, but what we did do together was fun and relaxing. Our first and most interesting activity was a Junior and Senior High slumber party. We also went skating at Harmony twice which was a brusing success. Something that we want to do more often in the future is to invite more schools for fun nights, such as our basketball games with Mabel.

FACULTY

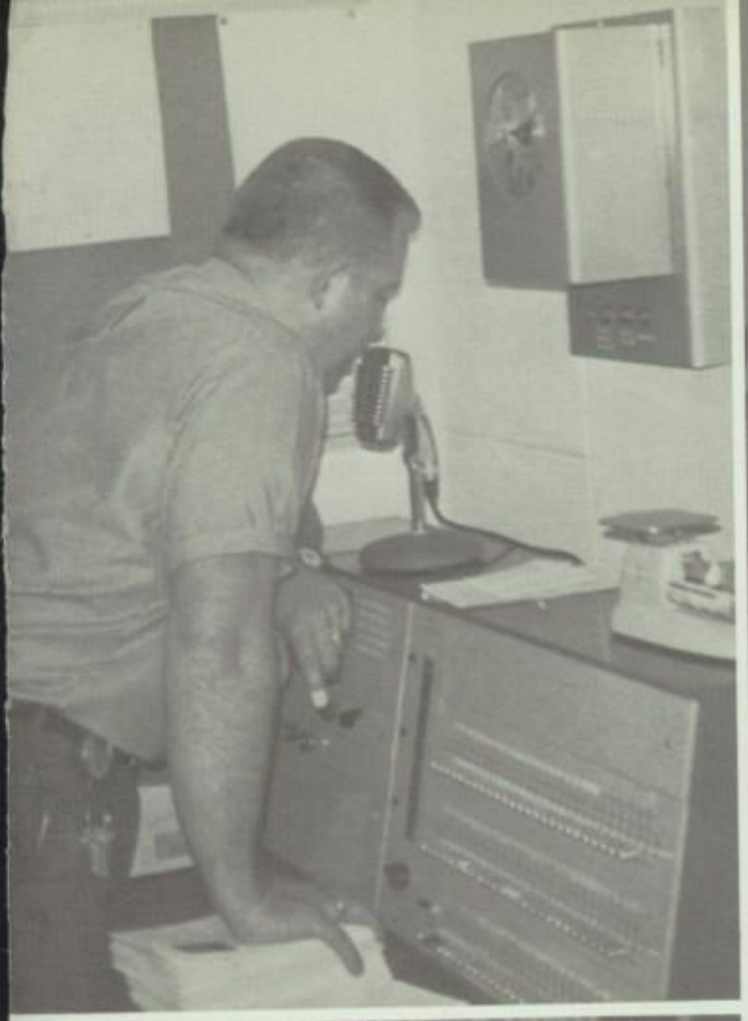
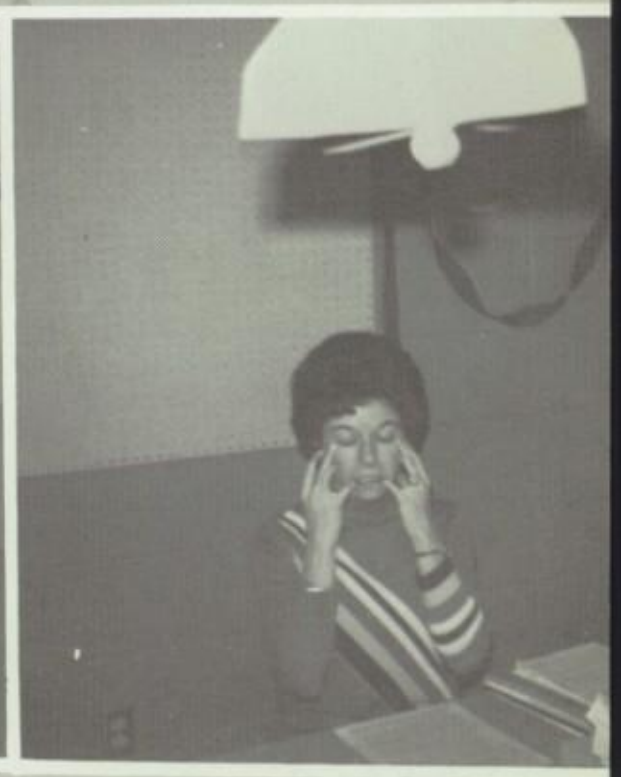
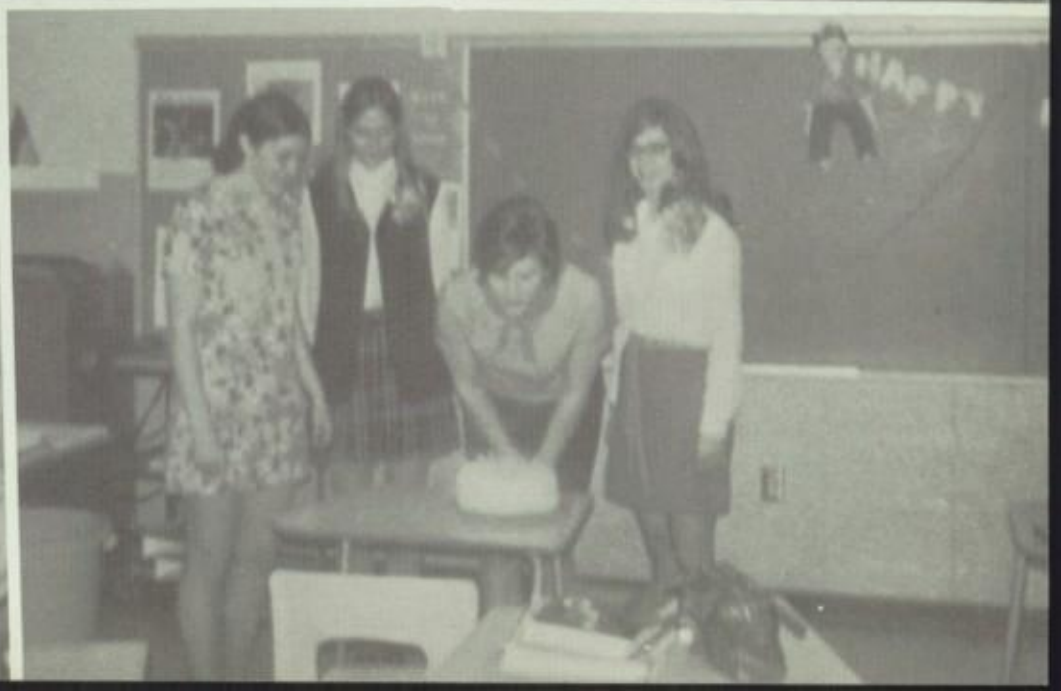
(AT EASE)





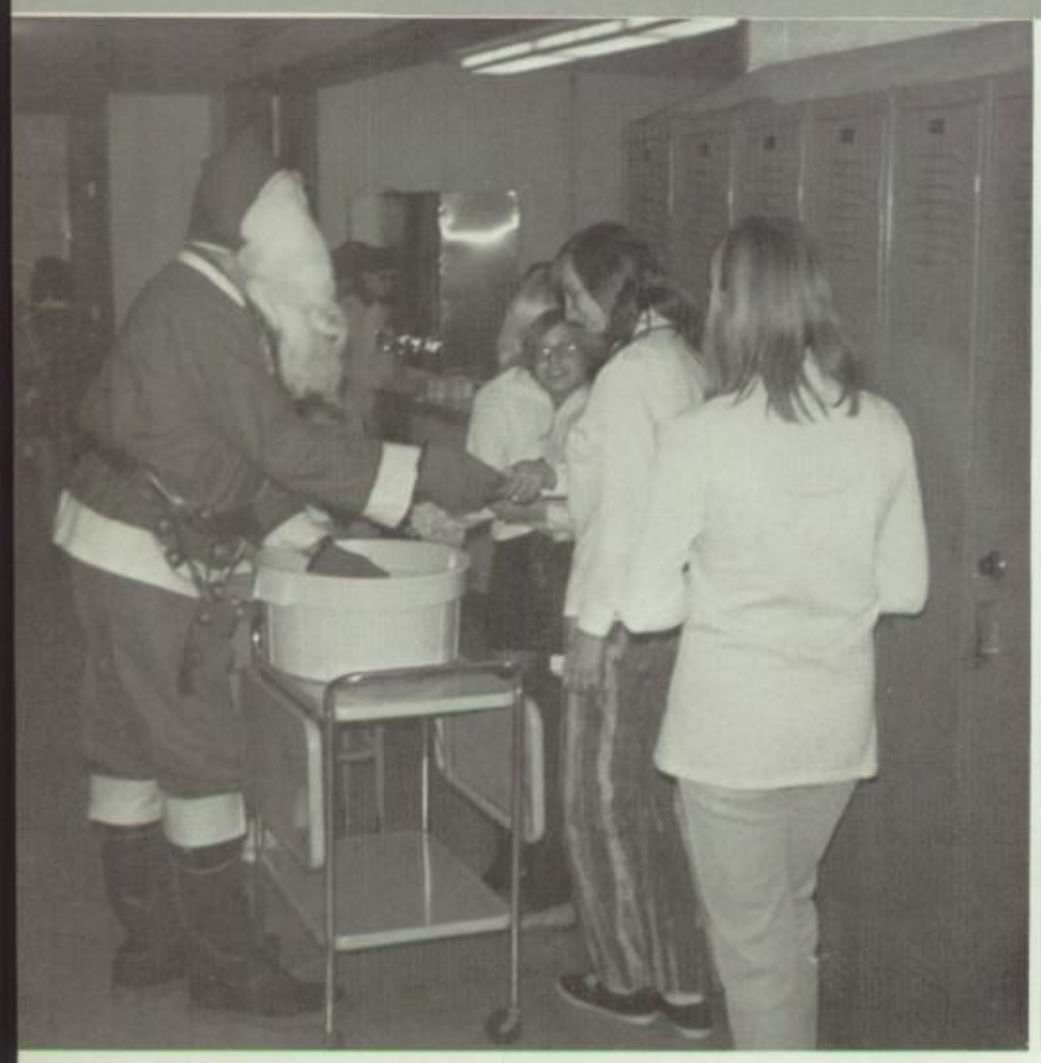


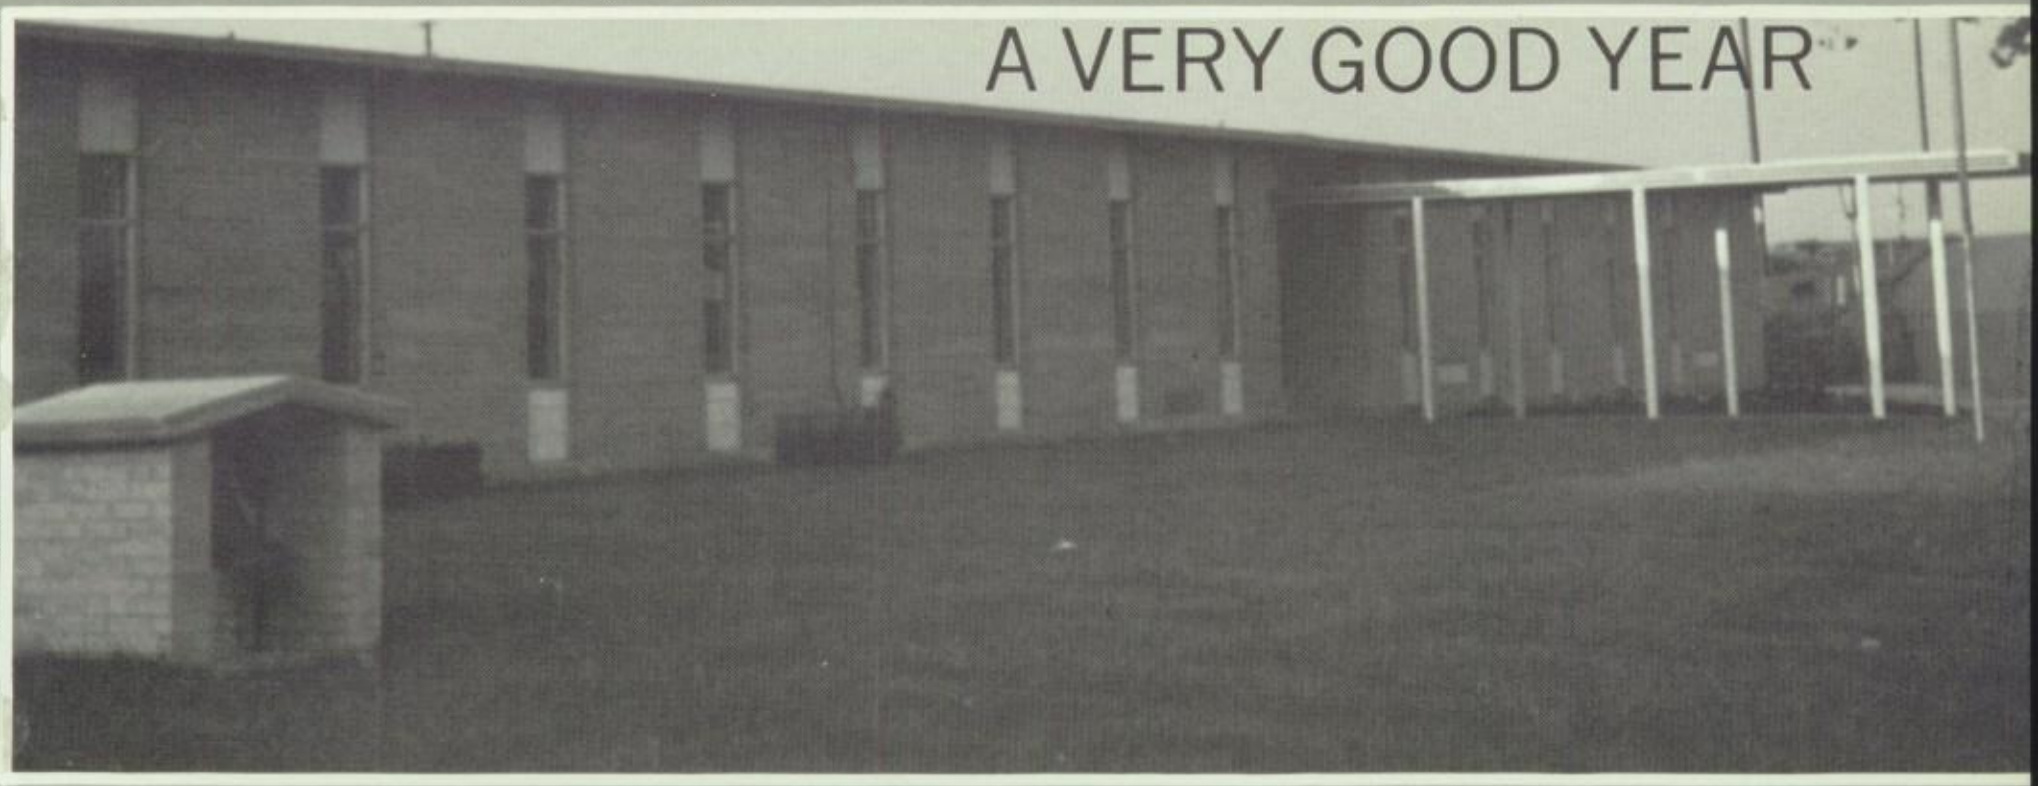
1970 — 1971

Another year ends. For the underclassmen, there are years of more school, and each class, in its turn, will become seniors and will lead the school through another year; so each succeeding year of seniors passes the task to others and set off into the "new worlds" they will make for themselves.

As you read this, perhaps in the fall of 1971, when this yearbook first comes to you, or in five years or ten, or more, we hope the words and pictures of this book will serve as a record and a reminder of this year at North Winneshiek.

We've tried in these pages to preserve the "best and happiest moments", to catalogue and save, the highlights of the 1970-1971 year at North Winn.





A VERY GOOD YEAR

We hope especially that the students of the Senior Class of 1971 find in these pages all the best of this best year of their North Winn school days.

On the evening of May 26, 1971, as the 37 graduating seniors entered the school auditorium to the strains of "Pomp and Circumstance," in their last official act as seniors, they could not help but notice the motto prominently displayed on the background of the stage: There's a New World Coming -- in Peace, Joy, and Love.

We want to take this opportunity, on behalf of the whole school, to express our best wishes to the Class of '71:

We wish you PEACE, not only peace in a troubled world, but peace and harmony with family and friends, and the serenity of being at peace with yourself.

We wish you JOY, in all the things you undertake in life, and through all the days of your life.

And, finally, we wish you LOVE, for without it, neither peace nor joy nor happiness will prevail.

We wish all these things, that you will achieve a "new world" for yourselves and for all who come after you.
